**STAFF PICK!****MOBILE SUIT GUNDAM THUNDERBOLT: DECEMBER SKY**

If you're looking for a gritty war story, look no further than *Gundam Thunderbolt: December Sky*. Clocking in at about an hour, this dark, grim, but visually-polished anime is a mecha fan's dream come true, with hand-drawn mobile suits skirmishing out in space. Mixed with an excellent jazz score, the fast tempo beat of this short film is cut perfectly. Every bit of screen time is there with purpose. It's so tightly written and executed, it's what I wish to see more out of the *Gundam* franchise.

STAFF PICK!

MY HERO ACADEMIA

My Hero Academia has quickly become my favorite anime since Naruto. With a compelling and fast paced story (compared to One Piece) it shows that anyone can reach their dreams through hard work and friendship. The unique character development is the part I enjoy most about this series because no matter how different you might be, you are still a part of the others around you. I recommend this anime to anyone and everyone!

FREQUENTLY ASKED QUESTIONS

ITEM LISTINGS

RATINGS SYSTEM

To benefit our customers, we have implemented a rating system for many of our products based on the manufacturer's suggested rating for each title.

N/R Not yet rated.

ALL, 7+, 10+ Generally acceptable for children. No nudity. Possible mild violence.

12+, 13+, 14+ Parental discretion advised. May contain violence, brief nudity, mature themes, and/or mild language. May suggest sexual situations, but no such situations are shown.

15+, 16+, 17+ Strong violence and explicit language. Nudity may be prevalent. Mild sexual situations may be shown.

18+ Extreme violence and/or explicit nudity. May contain sexually explicit material.

Please note: Right Stuf does not set ratings and is not responsible for errors, omissions, or inaccurate ratings. These ratings are guidelines only and are subject to change.

RUNTIME / PAGE COUNT

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not yet provided this information.

DUB ONLY? SUB ONLY?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to produce a title for dual-language release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. If we are aware that a title is dub or sub only, it will be noted as such in the product listing.

RELEASE DATES

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our website or to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

SPECIAL COLLECTIONS

Certain DVD and Blu-ray items are marked with names such as "Anime Classics," "S.A.V.E. Edition," etc. These are re-releases of the original discs at lower prices. However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please check the item's listing through our website or feel free to contact Customer Care.

MISSING VOLUMES

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our website.

WILL A BLU-RAY DISC PLAY IN MY DVD PLAYER?

Generally a DVD should play in your Blu-ray player. However, as we are not a hardware manufacturer, we can't guarantee this. Blu-ray player manufacturers often issue firmware updates if there is an issue with one of their players. If you have a problem playing a disc, please check this first.

DO YOU CARRY ADULT PRODUCTS?

Since this catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. We can provide information about these products by request, or you can select adult items on our online website search to review them.

GENERAL

WHAT'S THIS "GOT ANIME" THING?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, and members-only specials! Read more about the Got Anime Savings Club on page 3.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to log into your account and update your address, or contact Customer Care so that we can update your membership information.

I SAW THIS SHOW THAT I THINK MIGHT HAVE BEEN ANIME. DO YOU HAVE IT?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

WHY ISN'T (TITLE HERE) AVAILABLE IN THE U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation or are just now being shown. Many streaming services offer "simulcasts" where the current season as shown in Japan is available. We do not sell bootlegged products.

WHY DON'T YOU CARRY MANY IMPORTS?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are generally only listed on our website, so if you're looking for a particular item, please check our website or contact Customer Care.

WHY DON'T YOU HAVE (TITLE HERE) AUDIO SOUNDTRACK FROM JAPAN?

See the previous question. You also might want to check our website, since some titles are available domestically.

I REALLY WANT TO LEARN JAPANESE. WHAT RESOURCES DO YOU HAVE?
